FURNITURE. G. F. ADAMS' FURNITURE ROOMS, 104 FELLOWS' HALL, (UP STAIRS), INDIANAPOLIS, IND. FOR SALE. That lot of ground adjoining on the north of the block of buildings built by Kirtland & Fitzgerald, on south Meridian street, near the Union Depot, 10 ft. front by 210 feet deep, will be sold in 20 or 25 feet lots, or the whole of it in one lot. This is a valuable locality for persons wishing to purchase business property, as the wholesale business of the city will be concentrated on this street and the property can be bought for nearly one-fourth the price of Washington street property. It has been demonstrated by actual sales, that there has been as many goods sold by houses on this street, as on Washington street, and in our branch of the business, I sold, when in business, more tobacco at wholesale than any three houses on Washington street. This advantage of the saving of freight than any other location in the city, as goods can be delivered on the premises by all the railroads. This advantage will save half the rent of a store room on Washington street. For Terms, enquire of T. F. RYAN, No. 13, south of the ground. apr-15-dly
